

REMARKS

This amendment is in response to the Office Action dated July 1, 2009. Claims 1, 5-6, and 13 have been amended, claims 4, 10-12, 15, and 19-22 have been canceled without prejudice or disclaimer, and no claims have been added; as such, claims 1, 3, 5-7, 9, 13, and 16-18 are now pending in this application. Claims 1 and 13 are independent claims. Reconsideration and allowance is requested in view of the claim amendments and the following remarks. These amendments add no new matter.

Allowable Subject Matter

Entry of this amendment is permitted as it merely incorporates allowable features into independent claims 1 and 13, and cancels claims that remain rejected.

Claims 1 and 13 have been amended to include the allowable subject matter of dependant claims 4 and 15. Claims 4, 10-12, 15, and 19-22 have been canceled.

Accordingly, Applicant requests withdrawal of the rejection of record as moot, and believes the application is in condition for allowance.

Conclusion

In view of the above amendment and remarks, applicant believes the pending application is in condition for allowance.

This response is believed to be a complete response to the Office Action. However, Applicant reserves the right to set forth further arguments supporting the patentability of their claims, including the separate patentability of the dependent claims not explicitly addressed herein, in future papers. Further, for any instances in which the Examiner took Official Notice in the Office Action, Applicant expressly does not acquiesce to the taking of Official Notice, and respectfully request that the Examiner provide an affidavit to support the Official Notice taken in the next Office Action, as required by 37 CFR 1.104(d)(2) and MPEP § 2144.03.

Extensions of time

Please treat any concurrent or future reply, requiring a petition for an extension of time under 37 C.F.R. §1.136, as incorporating a petition for extension of time for the appropriate length of time.

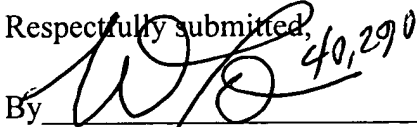

The Commissioner is hereby authorized to charge all required fees, fees under 37 C.F.R. §1.17, or all required extension of time fees.

Fees-general authorization

The Commissioner is hereby authorized to charge any deficiency in fees filed, asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm).

If any fee is required or any overpayment made, the Commissioner is hereby authorized to charge the fee or credit the overpayment to Deposit Account # 18-0013.

Dated: September 28, 2010

Respectfully submitted,
